

Happy 2020 This year is SACI's 99th Anniversary

We wrapped up 2019 with our usual Holiday Party extravaganza, and we again have a full calendar of networking events planned for 2020

As you all know, we set aside the first quarter of every year to conduct our membership drive. The SACI membership application form is always available on our website - so by all means make yourselves a few copies and bring them along with you when you visit with your customers and attend other industry events. Ask company owners, managers, sales and purchasing professionals to attend our upcoming business luncheon to see

what our organization is all about. Ask them to consider a membership in SACI. Remember to tell them that our Sales Association of the Chemical Industry is also a Sales Association of Co-related Industries. We look forward to seeing everyone on March 19th at the next Annual Business Luncheon. Please take note of this change in our usual meeting date. We needed to move it in from the 26th due to an overlap with

DCAT week.

Meanwhile: please enjoy our collection of photos in this edition from
