SACI & Racemics Joint Golf Outing

It was a total success as we had great weather, great course conditions and a lot of fun bantering back and forth as we shot from almost every part of the golf course and I mean every! SACI entered 23 golfers, the highest number we've had in a while and that is a testament to our organization in these tough times. Racemics entered 17 golfers at this great venue, Heron Glen Golf Course in Ringoes, NJ. It was a great opportunity for us all to network our organization, there were lots of prizes and I'd like to recognize the following winning foursomes and skill shot golfers:

1st Flight Champions

Pat Forker

Paul Rodrigo

Len Ostanek

2nd Flight Champions

Mark DeLuca

Scott Reisch

Brian Leone

John Pusateri

Longest Drive – Chris McLlvaine

Dear Family and Friends,
We are sad to announce that our beloved father, Jitendra Rasiklal Shah, son of Lalitaben Shah and late Rasiklal Shah, passed away unexpectedly at the age of 62 on October 28, 2013.

Born in Gujarat, India in 1951, he moved to New York in the 1970s and attained his Master's degree in Chemical Engineering. He has been a central figure of our family and will always be remembered for his love for family, his ability to bring laughter to those around him and his selfless nature. We appreciate the influ-

ence he had in teaching us about tradition, honesty and good values.

Jitu was a loving husband to Dina Shah and father to Reena Shah Dalal, Manan Dalal, Neil Shah and Sejal Kothary Shah.
