Another Outstanding Day at Galloping Hill

Well, we had another great day at SACI's Annual Fall Golf Outing - September 23, 2025. The weather held up despite storm threats in the area. They came later in the evening after the festivities ended. It was partly overcast and much hotter than expected, but nothing keeps our golfers from enjoying a day at Galloping Hill.

We again had a full contingent of golfers this year supported by many sponsoring companies. Most supporters are illustrated on the green signs above, with additional sponsorship provided by RE Carroll and Morretec Industries. An excellent buffet luncheon followed on Galloping Hill's covered patio where Frank Wuertz presented achievement awards to our outstanding golfers.

We were introduced to a new foursome this year. Kalli Rivard, Ted Bierer, Roshni Reed and Matt Kairys joined us from LBB Specialties, Atlantic Trading, KB International and Unichem Supply. It was a pleasure to meet you all and we hope you consider becoming members of SACI.

Dave Volosin presented Erich Bodnar with a plaque celebrating 50 years of continuous corporate sponsorship, full membership, and dedicated service to our organization. Erich has never failed SACI and has stayed with us during the good times and bad serving in just about all administrative positions and committees. Erich continues to serve as senior member of our Board of Directors. Thank you, Erich.

Active member Joyce Pisani of Pride Chemical Solutions introduced Stephanie Arrunategui. Stephanie has applied for full SACI membership. Welcome Stephanie.
